

KÄRCHER

COMBATING VIRUSES WITH MISTING PRECISION.

Meet the HD 2.0/1000 Dual Mister Cart, an all-in-one mister and pressure washer.

Kärcher's cold water, Dual Mister Cart easily converts from a pressure washer to a mister for dispensing sanitizer or disinfectants, such as Vital Oxide®.† This reliable electric powered pressure washer comes standard with a humidifying nozzle and an Easy!Valve that allows the operator to easily switch from pressure washing to misting mode. It comes on an easy-to-manuever cart with flat-free tires, two mounted hose reels, and provides a bypass loop for additional pump protection. In short, this unit is designed to combat viruses and bacteria in misting mode, or it can be used as a high pressure washer to clean surfaces.
