

X-SCRUB® PRO

Commercial Grade
18" Micro-Scrubber

- » Over 20 pad and brush options available.
- » Quick Release Magnetic Hub.
- » Adjustable water flow and brush speed.
- » Auto-adjustable brush base for uneven surfaces

BENEFIT SUMMARY

- 1 Adjustable waterflow and brush speed.
- 2 Parking brake and stability wheels holds the X-Scrub® Pro upright for other hands-free activities.
- 3 Retractable hose allows the user to empty dirty water directly into a toliet or drain.
- 4 Steel frame and dual squeegee blades leave the floor dry and safe. No more wet floor signs!
- 5 Magnetic hub allows for a quick and easy change to brushes or pads.
- 6 Individual floating brush platforms automatically adjust to uneven surfaces.

Outfit your X-Scrub® PRO to virtually clean any hard surface with a variety of pads and brushes.

BENEFIT SUMMARY

- ➔ Ditch the manual cleaning methods that lack the precision and perfection of newer technologies. **Ditch the traditional mop!**
- ➔ No more murky water spreading dirt over large areas, that takes forever to dry. The X-Scrub® PRO removes the dirt and leaves the floor clean and dry.
- ➔ Helps cut down on worker fatigue.
- ➔ Easily and quickly change out brushes and pads with one button, quick change feature.
- ➔ Clean virtually any hard surface in those hard-to-reach places.
